

Introduction To Web Development

Task 1

Planning Document

Yasmin Briffa

5.1B

Part 1

Project Idea

I am developing a modeling agency website, a digital platform designed to connect models, photographers, fashion brands, and other agencies both locally in Malta and internationally.

The goal of this platform is to simplify networking within the fashion and creative industry by creating a centralized space where talent and opportunities can meet efficiently.

Target Industry:

- Fashion Industry
- Creative Industry
- Professional Networking Platforms

I aim to help:

- Models build a strong online presence
- Make it easier for brands to discover and hire talent
- Streamline communication and booking processes
- Create a professional and safe environment for collaboration

Features & Functionalities

1. User Profiles

I will allow users (especially models) to create detailed and professional profiles that act as their digital identity.

Profile will include:

High-quality profile photos and headshots

Physical attributes:

- Height
- Measurements
- Eye and hair color
- Experience level (beginner, intermediate, professional)
- Work history and past collaborations
- Personal bio/description
- Social media links (Instagram, TikTok, etc.)

Additional ideas:

Profile verification badge for authenticity

2. Model Search & Discovery

I will add a search system to help brands and users find the right talent quickly.

Search filters will include:

- Height range
- Location (Malta / International)
- Modeling category/style:
 - Fashion
 - Commercial
 - Fitness
 - Runway
- Experience level
- Availability
- Others - might add more

3. Casting Calls System

I will allow photographers, brands and agencies to post casting opportunities directly on the platform.

Casting call details will include:

- Job description
- Required model criteria
- Location
- Date and time
- Payment details
- Application deadline

For models:

One-click application system

Application tracking (applied, shortlisted, accepted)

4. Messaging System

I will integrate a secure messaging system to enable communication between users.

Features:

- Direct messaging between models, brands, and photographers
- Conversation history
- File sharing (images, documents, briefs)
- Notifications for new messages

Safety considerations:

- Report/block users
- Moderation tools to prevent misuse

Part 2

Target Audience

USER PERSONA “ASPIRING MODEL”

	Who they are Name: Sofia Rossi Age: 21 Location: Italian who is currently studying and living in Malta. Occupation: Student	Problems with existing websites • Difficulty getting started as a beginner • Many websites focus only on professional models • Hard to find local opportunities in Malta
	What they do Sofia is a beginner model who wants to start her career as a freelance model alongside her studies. She has no agency yet and is trying to build her portfolio.	Special needs / considerations • The website is simple and easy to use • There are clear instructions (e.g. uploading photos) • Get recognition and exposure
	Why they use the website Sofia would use my website to: • Create her first modeling portfolio • Find casting calls and opportunities • Get noticed by photographers and brands	

USER PERSONA “PROFESSIONAL MODEL”

	Who they are Name: Elena Attard Age: 27 Location: Malta Occupation: Freelance/ Proffesional Model	Problems with existing websites • Limited international exposure from Malta-based platforms • Lack of trustworthy casting opportunities (some listings may be fake). • Lack of direct communication with brands
	What they do Elena is an experienced model who has worked on fashion campaigns, photoshoots, and advertising projects both locally and internationally.	Special needs / considerations • Safe and trustworthy casting opportunities • Easy messaging system • Access to both local and international opportunities
	Why they use the website • Showcase her portfolio and experience • Find new modeling opportunities • Connect with international brands and clients • Expand her career beyond Malta	

USER PERSONA “PHOTOGRAPHER / BRAND”

	Who they are Name: Emily Carter Age: 32 Location: London / working in Malta Occupation: Marketing Manager (Fashion Brand)	Problems with existing websites • No easy way to contact models directly • Too many global platforms with no local focus • Lack of verified profiles (trust issues) • Time-consuming search process
	What they do Emily organises campaigns and photoshoots and needs to find suitable models.	Special needs / considerations • Include advanced filters and search tools • Provide verified profiles • Offer quick preview features (hover effect) • Easy messaging system between him and other users
	Why they use the website • Search for models based in Malta • Post casting calls and opportunities • Quickly review model portfolios • Contact models directly
